Mustang Original Underdash A/C Systems

Classic Auto Air will accept underdash cores for trade in value toward your original 1964½-66 systems. Trade-in value is up to \$145.00 for 64½-65 units, \$170.00 for 1966 units (depending upon condition received) and can be presented before or after the purchase and/or shipment of your system. Standard shipping rates are refunded upon receipt. Final value is based on the condition of the unit at the time we receive it in our facility. Damaged or missing parts will detract from the unit's value. On orders where the core is received after your system has shipped out, payment will follow within 30 days.
